1965 VOL. 43.

ANNALES MEDICINAE EXPERIMENTALIS ET BIOLOGIAE FENNIAE

EDITORES: K. O. RENKONEN
T. U. KOSUNEN

REDACTORES: O. ERÄNKÖ
K. HARTIALA
E. MUSTAKALLIO
U. UOTILA
A. VARTIAINEN
A. WILSKA
A. I. VIRTANEN

HELSINKI

INDEX

Vol. 43

AHTEE, LIISA, and PAASONEN, M. K.: The Haemolytic Effect of Some Phenothiazine Derivatives 101

CANTELL, K., and VALLE, M.: The Ability of Sendai Virus to Overcome Cellular Resistance to Vesicular Stomatitis Virus, II 61

CANTELL, K., VALLE, M., SCHAKIR, R., SAUKKONEN, J. J., and UROMA, E.: Observations on Production, Assay and Purification of Chick Embryo Interferon 125

GYLLENBERG, H. G.: Character Correlations in Certain Taxonomic and Ecological Groups of Bacteria 82

HARJOLA, P.-T., and SIVULA, A.: Studies on Circulatory Changes in Gastric Mucosa in Rabbits, I 117

HARJOLA, P.-T., and SIVULA, A.: Studies on Circulatory Changes in Gastric Mucosa in Rabbits, II 120

HÄYRY, P., PENTTINEN, K., and SAXÉN, E.: The Different Effects of Some Methods of Disaggregation on the Electrophoretic Mobility of the HeLa-Cell 91

HOPSU, V. K., ARSTILA, A., and GLENNER, G. G.: A Method for Electron Microscopic Localization of Aryl-Sulphatase 114

HOPSU, V. K., KARI, K., and VIRTAMA, P.: Demineralization of Rat Bones after Administration of Cortisone and Low-Calcium Diet 174

HOPSU, V. K., SANTTI, R., and GLENNER, G. G.: Enzymic Hydrolysis of Acyl Naphthylamides in Liver Tissue 106

IKKALA, E.: Comparison of three Methods in the Assay of Factor VIII Level of Post-Exercise Plasma 1

JÄNNES, J., and SARIS, N-E.: Electrophoretical Separation of Bacterial Lactic Dehydrogenase 248

KÄÄRIÄINEN, L.: Assay of Neutralizing Antibodies against Louping Ill Virus by Metabolic Inhibition Test 137

KÄÄRIÄINEN, L.: Incidence of Antibodies against Viruses of the Tick-Borne Encephalitis Group among the Rural Population in Finland 143

KARVINEN, E., PAASONEN, M. K., and PELTOLA, P.: The Effect of Phenobarbital on the Lipid Metabolism in the Liver and Adipose Tissue 165

KETTUNEN, K., and REKONEN, A.: Observations on the Strontium-85 Turnover of Osteoarthritic Hip in Man 182

KONTTINEN, Y.: Percutaneous Absorption of Heparin in Rabbit's Ear 43

KOSUNEN, T. U.: Radioautographic Study of Cellular Mechanisms in Delayed Hypersensitivity, III 223

KRÜPE, M., SCHMITT, J., and UHLENBRUCK, G.: Studien an MN-aktiven Erythrozytenmucoiden von anthropoiden Affen 205

LAMPIAHO, KIRSTI, JUVA, K., and KULONEN, E.: Incorporation of Amino Acids into Fractions of Insoluble Collagen 254

LUKKARI, IRMELI, and ALHA, A.: Forensic Chemical Detection of Digitalis Glycosides in Autopsy Material 188

NIEMI, M., and IKONEN, M.: Primordial Germ Cells in Foetal and Postnatal human testis 23

NIEMI, M., and KORMANO, M.: Contractility of the Seminiferous Tubule of the Postnatal Rat Testis and its Response to Oxytocin 40

PAASONEN, M. K., and AIRAKSINEN, M. M.: Metabolism of 5-hydroxytryptamine in Platelet-free Plasma in Rabbits 231

PAASONEN, M. K., and AIRAKSINEN, M. M.: Metabolism of 5-hydroxytryptamine in Blood Platelets of Rabbit 236
PAASONEN, M. K., and SOLATUNTURI, E.: Monoamine Oxidase in Mammalian Blood Platelets 98
PAASONEN, M. K., and SOLATUNTURI, E.: The Release of Histamine, Potassium and Nitrogen from Platelets by Chlorpromazine *in Vitro* 241
PAASONEN, M. K., TOURUNEN, E. K., and VAPAATALO, H. I.: Chlorpromazine-Induced Hypotension in Reserpinized Rats 159
PALKAMA, A.: Histochemistry and Electron Microscopy of the Carotid Body 260
PALKAMA, A., and HOPSU, V. K.: The Presence of a Carotid Body Like Structure Between the Right Subclavian and Common Carotid Arteries 169
PELKONEN, R., and NIKKILÄ, E. A.: Determination of Fecal Fatty Acids 185
PIHKANEN, T., HARENKO, A., and HUHMAR, E.: Alteration of the Conduction Velocity in Peripheral Nerves in Drug Intoxication 3
PITKÄNEN, E., and SVINHUFVUD, ULLA: Excretion of D-threitol after Administration of D-xylose in Man 250
POHJANPELTO, PIRKKO: Thermal Inactivation of Poliovirus Ribonucleic Acid 65
PYÖRÄLÄ, K., MYLLYLÄ, G., and KEKKI, M.: Metabolism of Warfarin During Methandrostenolone Treatment 95
RENKONEN, K. O.: Malignant Tumors and the Host's Reactivity 155
RENKONEN, K. O., and DONNER, MÄRTHA: The Sibships Posterior to Mongoloids 72
RENKONEN, K. O., and DONNER, MÄRTHA: Mongoloids, Twins and Tolerance 215
RENKONEN, O.: Hydrolysis of 1,2-Diglyceride Acetates with Pancreatic Lipase 194
RENKONEN, O., LIUSVAARA, SATU, and MIETTINEN, ANNELI: Chromatographic Separation of Plasmalogens from Corresponding Alkoxy Lipids 200
RIEKKINEN, P. J., and HOPSU, V. K.: Studies in the Salivary Glands, I 6
RIEKKINEN, P. J., and HOPSU, V. K.: Studies in the Salivary Glands, II 15
RUOSLAHTI, E.: Further Polymorphism in Gc System 213
SAKSELA, E., AULA, P., and CANTELL, K.: Chromosomal Damage of Human Cells Induced by Sendai Virus 132
SARVAS, M., and MÄKELÄ, PIRJO HELENA: Interspecies Crossing Experiments with HFR Strains of *Salmonella Abony* and *Escherichia Coli* 49
SUURMAA, SIRKKA: Studies in the Immune Response *in Vitro*. III 53
TAKKI, S., TAKKI, KIRSTI, HOPSU, V., and PALKAMA, A.: Fat Patterning and its Correlation to the Age of Children 267
TALLBERG, TH., RUOSLAHTI, E., and EHNHOLM, C.: Immunological Studies on Human Placental Proteins and the Purification of Human Placental Lactogen 67
TORSTI, P.: Thyroxin and the Heart Lipoprotein Lipase 245
TUOHIMAA, E., TOIVIO, I., and MATTILA, K.: Intravenous Administration of Oxygen in Cats and Dogs 123
TUOMI, J., and BRUMMER-KORVENKONTIO, M.: Antibodies against Viruses of the Tick-Borne Encephalitis Group in Cattle Sera in Finland 149
VALLE, M., and CANTELL, K.: The Ability of Sendai Virus to Overcome Cellular Resistance to Vesicular Stomatitis Virus, I 57
VALTONEN, E. J.: Observations on the Experimental Production of Shellac Concretions in the Stomach of the Rat 179
VANHA-PERTTULA, T. P. J., and HOPSU, V. K.: Esterolytic and Proteolytic Enzymes of the Rat Adenohypophysis, II 32
VÄNTTINEN, E., and VILJANTO, J.: Tensile Strength of Connective Tissue Formed in Pretreated Viscose Cellulose Implants 257
VOUTILAINEN, A., and TÄHTI, E.: Influence of Intraperitoneally Injected Irradiated Liver Tissue on Liver Regeneration of Hepatectomised Rats 29

SUPPLEMENTUM 1

KÄÄRIÄINEN, L.: Factors Affecting the Growth and Metabolic Inhibition Test of Louping III Virus in Cell Cultures

SUPPLEMENTUM 2

LOUHIJA, A.: Metabolic Studies on Haemorrhagic Lipaemia in the Rat

SUPPLEMENTUM 3

PYÖRÄLÄ, K.: Determinants of the Clotting Factor Response to Warfarin in the Rat

SUPPLEMENTUM 4

SEPPÄLÄ, M.: Distribution of Serum Transferrin Groups in Finland and their Inheritance

SUPPLEMENTUM 5

PISPA, J.: Animal Biotinidase

SUPPLEMENTUM 6

TENHUNEN, R.: Studies on Bilirubin and its Metabolism

SUPPLEMENTUM 7

TAMMISTO, T.: The Acute Toxicity of 5-hydroxytryptamine in Anesthetized Rats

SUPPLEMENTUM 8

MUSTALA, O.: Specificity of the Nitrosonaphthol Reaction in the Determination of Urinary 5-hydroxyindoleacetic Acid
